## DETAILED JOB SPEC

### DAILY CARE

#### 1. FEEDING

- Preparing and sterilizing bottles.
- Feeding the baby (bottle or expressed milk).
- Burping the baby after feeds.

#### 2. DIAPERING AND HYGIENE

- Changing diapers regularly.
- Bathing the baby or giving sponge baths (when needed).
- Cleaning and maintaining the baby's hygiene (wiping, applying creams if needed).

#### 3. SLEEPING AND SOOTHING

- Putting the baby down for naps and ensuring safe sleep practices.
- Comforting and soothing the baby when fussy.
- Keeping track of sleep patterns.

#### 4. ENGAGING ACTIVITIES

- Engaging in age-appropriate sensory activities (e.g., tummy time).
- Talking or singing to stimulate the baby's development.

#### 5. HOUSEHOLD DUTIES RELATED TO THE BABY

- Cleaning and organizing the baby's bottles, toys, and other items.
- Tidying the nursery and ensuring it remains clean and organized.
- Maintaining a feeding, sleeping, and diapering log for parental reference.

#### 6. SAFETY

- Monitoring the baby's health (e.g., temperature, signs of discomfort).
- Administering medication if necessary (with parental guidance).
- Ensuring the environment is clean, safe, and baby-proofed.

#### 7. ADDITIONAL SUPPORT FOR PARENTS

- Assisting with meal prep or snacks for older sibling.
